An easy walk through the village and a community managed Oak wood.

From the Millennium Gates walk across 'The Green' towards the play area, before exiting on to Huntly Road. Pass some fine houses before coming to a crossroads, go straight ahead onto Rhu-na-Haven Road and follow to the end of the long straight, turn right and head uphill.

At the top of the hill turn right and take the path into the Ladywood on good prepared paths. This woodland was purchased by the local community and economic development company Mid Deeside Ltd to allow local residents to enjoy this woodland. It is a significant Oakwood.
